

Pacific Railroad Society presents  
Excursion # 552, Saturday **January 21, 2017**

# *The Perris Express*

A Special Saturday Metrolink train to Perris & the Orange Empire Railway Museum

**METROLINK**

## ***Celebrating 80 Years of Rail Excursions in Southern California!***

That's right, Metrolink does not normally provide service to Perris on weekends, so this will be a special train from Los Angeles to Perris via the San Bernardino line outbound and the 91 line inbound. Our special train will travel down the middle of Interstate 10 to San Bernardino, then South towards Riverside where we branch off on the new Metrolink Perris line. Stops will be made on the new branch for photo opportunities. At Perris, we'll take turns riding an historic bus to take us the final two miles to the museum. OERM will be operating a steam-powered train and will feature tours of their backshops. This special PRS excursion includes all admissions and ride tickets, the special train with your railroad-loving friends, and a delicious hot barbecue at the Museum. Equipment for this special train will be Metrolink bi-level coaches.

### Schedule

Departure from Los Angeles: 8:10 am Arrive  
Perris: 12:15 pm  
Time at OERM: 5 hours  
Depart Perris: 5:30 pm

Information: [prsexcursions@live.com](mailto:prsexcursions@live.com), or ( 626 ) 570-0033

Pacific Railroad Society is an all volunteer non-profit 501(c)(3) corporation contracting with Metrolink, OERM, and other private vendors to provide facilities and transportation. PRS will do their best to provide the services as described, but unplanned events can force schedule, route, and equipment changes without notice. Due the historic nature of some of the rail cars and buses, wheel chairs and mobility devices cannot be accommodated on historic rail cars and buses, but every attempt will be made to accommodate passengers with disabilities. Sorry, if the trip operates there will be no refunds available after January 13, 2016.
